

Celebrity Select DiningSM

Available to Pre-Reserve Online Fleetwide as of August 31, 2009[†]

Celebrity Select Dining is our new flexible dining option that allows you to choose when you dine on a day by day basis. You'll still be seated in the ship's main dining room, order from the same dinner menu, and enjoy the same amazing service that you're accustomed to onboard Celebrity Cruises, but with more flexibility. Once you've chosen Celebrity Select Dining in your reservation, you can make your day by day reservations pre-cruise, reserve once onboard or simply come to the dining room whenever you'd like to have dinner.* **Guests onboard Celebrity Equinox, beginning with the September 26, 2009 sailing, will be the first to experience Celebrity Select Dining onboard, with all other ships rolling out during the first quarter of 2010.** [†]Initial applicable sail dates vary by ship. Log on to celebritycruises.com for schedule.

Celebrity Select Dining allows you to plan your dinner around your daily activities. You'll no longer have to rush to dinner after your relaxing spa treatment. If you want to spend some extra time sightseeing in one of our many ports of call, you'll have the option to dine a little later that evening. Celebrity Select Dining is all about flexibility. You can choose to dine in our Main Dining room at any time between 6:00 and 9:30pm each evening, and better yet, you can dine at a different time every evening if that's what you choose. **In order to ensure the best possible dining experience, we strongly recommend that you make your day by day dining reservations online before your cruise. For your convenience, however, we will also accept reservations once onboard the ship.**
